**Why is returning an estimate of giving card important?**

By completing and returning an estimate of giving card, you are expressing your intent and affirming your desire to honor God with your resources. Returning your estimate of giving card makes it possible for our church to plan and implement ministries without hesitation. Knowing your plans allows wise management throughout the year. All ministries our church implements are dependent on the generosity of God's people.

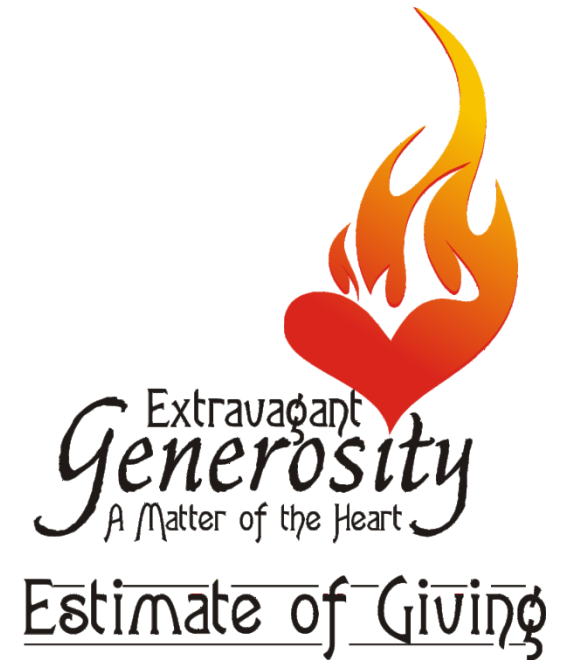

**What happens to my estimate of giving card once I return it?**

Your estimate of giving will remain confidential and it is not a legally binding contract. It is your personal commitment to the Lord. If your situation changes and you would like to increase or decrease your estimate, call the church office to speak with our financial secretary.

Our personal challenge is to find ways to grow deeper in our faith. One way to do this is to return a portion of our financial blessings to God through our tithes and offerings. Our giving recognizes God as the source of our blessings. Our gifts help to create and implement ministries that change lives, transform communities, and spread the good news of Christ is spread.

*Each of you must give as you have made up your mind, not reluctantly or under compulsion, for God loves a cheerful giver. 2 Corinthians 9:7 (NIV)*

### How much should I give?

Your decision to be faithful in giving originates out of your love for God. This is best seen in John 3:16 "for God so love the world he gave. . ." Giving comes from the heart and prayer is essential for determining what to give.

The Bible speaks of the tithe as a standard for giving. The tithe is defined as the first ten percent of our earnings, returned to God and the work of the church. This is difficult for some, and others have grown in their generosity well beyond this biblical standard.

Growing in the grace of giving is a worthy, God honoring goal to consider each year. Your intentional decision to give in proportion to your resources will enable you to accomplish your personal, good steward goal.

Evaluate your current giving. Does it reflect your blessings? Is it generous? Is it time you to increase your giving to God and the work of the church? In these questions, you will find your answer.

Trusting God for the future, I/we desire to be faithful in giving so others can experience God's love through the ministries of our church.
